***ARMOR OF GOD* RELEASES IN TIME FOR CHRISTMAS**

Bloomington, IL —10/28/2021

In a battle to possess the armor of God, three siblings stand against their father as he fights for the enemy.

The fourth book in Allen Brokken's Towers of Light series, *Armor of God*, highlights the importance of spiritual defenses. The story unfolds in Zoura, a wild and fantastical land pervaded by darkness. There, three siblings confront the forces of evil as they seek the armor of God. They have prevailed before, but the enemy has a new champion—their father. And he knows their plans. The children must retrieve the armor before the Dark One corrupts it, or Zoura's last chance for salvation will be lost.

Aimed at readers eight and up, *Armor of God* shares a Christian message about fortifying our spiritual defenses and drawing strength from God.

"Great for young readers or as a read-aloud. The characters are relatable and have real struggles, which are resolved by the end of the book. A fun read with eternal impact." – Kandi J. Wyatt, Author of the Dragon Courage Series

Armor of God is a continuation of the faith-based Towers of Light Series. This series explores various aspects of the Christian worldview from the perspective of three children who have been put into challenges they must survive through faith alone. The series setting is reminiscent of the 1800's Midwest United States but has mixed in fantastic elements such as the sword of the spirit and shield of faith to emphasize traditional moral truths in contemporary language.

Armor of God releases on November 19th and is now available for pre-order in Kindle eBook format on amazon.com and will be available in paperback at allenbrokkenauthor.com, amazon.com, and other online retailers on release day.

About *Armor of God*

Reunited with Mother and Uncle, Lauren, Aiden, and Ethan must light the tower in Blooming Glen to save Zoura. But the enemy stands in their way, and they need the lost Armor of God to prevail. As they search for the armor, the Dark One raises a new champion—their father. Lauren, Aiden, and Ethan have stood against the forces of darkness before, but do they have the strength to stand against their father too?

About Allen Brokken

Allen Brokken is a teacher at heart, a husband and father most of all. He's a joyful writer by the abundant grace of God. He began writing the Towers of Light series for his own children to help him illustrate the deep truths of the Bible in an engaging and age appropriate way. He's dedicated 15 years of his life to volunteer roles in children's ministry and youth development. Now that his own children are off to college he's telling stories and sharing clean humor on social media @allenbrokkenauthor, and through his blog <https://www.allenbrokkenauthor.com>

About Towers of Light Christian Resources LLC
